

## 7.4 Parklands and Wild and Scenic Rivers – Errata Sheet

|    | Incorrect Tier 1 Draft EIS Text/Table |   | Tier 1 Final EIS Text/Table (Volume 2) Page |
|----|---------------------------------------|---|---|
|    | Page                                  | Description   |   |
| 1. | 7.4-2                                 | Revised notation of Rhode Island segment of “East Coast Greenway” to “Rhode Island Greenway,” as it is a different resource than the “East Coast Greenway.”   | 7.4-2                                       |
| 2. | 7.4-3                                 | Revised text in two instances to clarify that “Greenway” is the “Rhode Island Greenway” to distinguish the resource from the “East Coast Greenway.”   | 7.4-3                                       |
| 3. | 7.4-5                                 | Revised text to clarify that “Greenway” is the “Rhode Island Greenway” to distinguish the resource from the “East Coast Greenway.”  | 7.4-5                                       |
| 4. | 7.4-23                                | Added reference to evaluation and consideration of privately held or non-profit recreational areas and conservation lands, such as the Last Green Valley National Heritage Corridor, in subsequent Tier 2 analysis. | 7.4-23                                      |
